

Welcome to **West Midlands Councils Partnership Centre** offering modern meeting facilities in the heart of Birmingham

West Midlands Councils Partnership Centre has a long history of providing quality training and meeting facilities. We offer a range of air-conditioned meeting rooms, all benefitting from natural daylight and wi-fi capability. We are fully accessible to the disabled with on site disabled parking and induction loop available in room 1. All our rooms can be set up and equipped to suit a variety of training and meeting needs, making it the clear choice for any type of event.

An ideal location

Our fees represent excellent value for money for a city centre venue; we are in walking distance of Birmingham New Street and Snow Hill stations and within easy reach of the motorway network. Parking on site is limited but there is on street parking and NCP car parks nearby. We also have on site cycle parking.

You are welcome to come and view our facilities and meet our team. We look forward to helping make your event a success.

2010 Venue Guide

We have two fee rates to reflect a 'Member' rate for those organisations that already pay an annual subscription to West Midlands Councils (ie local authorities), and a 'Non Member' rate for all other users. We believe both rates offer value for money; particularly as our staff are on hand throughout the day to provide flexible support to you and your event.

Room Capacities

The following table provides an indication of comfortable capacities for our rooms. Events involving laptops and projectors may reduce the overall capacity slightly and our experienced team can advise you on the best approach for your particular event.
